Frederick Douglass: Selected Bibliography

The Dictionary of Literary Biography is a specialist biographical dictionary dedicated to literature. Published by Gale, the 375-volume set covers a wide variety of literary topics, periods, and genres, with a focus on American and British literature. In addition to author biographies, the series publishes volumes on literary movements, periods, and genres. This source is particularly useful for researchers in the humanities, as it offers comprehensive biographical and critical essays on the lives, works, and careers of the world's most significant authors. For 30 years, libraries have looked to Dictionary of Literary Biography for biographical and critical information about authors, works, and movements. The series includes volumes on American Literature and British Literature, providing general information about authors, works, and movements. The Dictionary of Literary Biography is a valuable resource for scholars, students, and researchers interested in the history and development of literature.
